(UCAA)**CUSTOMER ACCOUNT AGREEMENT****Cash Account**

This Customer Account Agreement sets forth the respective rights and obligations of my broker ("you") and the customer(s) identified on the New Account Application ("I" or "me") in connection with my brokerage account with you ("the Account").

1. I agree as follows with respect to the Account, which I have established with you for the purchase, sale or carrying of securities or contracts relating thereto and/or the borrowing of funds.
2. I am of legal age and no one except the signatories of the Account has any interest in the Account.
3. All transactions for the Account shall be subject to the constitution, rules, regulations, customs and usages of the exchange or market where executed.
4. I agree that, in giving orders to sell, all "short" sale orders will be designated as "short" and all "long" sale orders will be designated as "long" and that the designation of a sell order as "long" is a representation on my part that I own the security and, if the security is not in your possession, that I will deliver it by settlement date in good deliverable form.
5. Reports of the execution of orders and statements of my account shall be conclusive if not objected to within five days and ten days, respectively, after transmittal to me by mail or otherwise.
6. At any time and from time to time you may, at your discretion, without notice to me, apply and/or transfer any securities, commodities, contracts relating thereto, or any other property or equity therein, interchangeably between any of my accounts, whether individual or joint, and from any of my accounts to any account guaranteed by me.
7. In consideration of your sending any mail to me in care of a Post Office Box Address or a third party, I hereby agree that "all correspondence of any nature whatsoever" sent to me in such address will have the same force and effect as if it had been delivered to me personally. I have listed my permanent address on the New Account Application.
8. To help the government fight the funding of terrorism and money laundering, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. In order to open an account, I will provide information that will allow you to identify me including, but not limited to, my name, address, date of birth, and my driver's license or other identifying documents.
9. This agreement contains a predispute arbitration clause. By signing an arbitration agreement the parties agree as follows:
 - a. All parties to this agreement are giving up the right to sue each other in court, including the right to a trial by jury, except as provided by the rules of the arbitration forum in which a claim is filed.
 - b. Arbitration awards are generally final and binding; a party's ability to have a court reverse or modify an arbitration award is very limited.
 - c. The ability of the parties to obtain documents, witness statements and other discovery is generally more limited in arbitration than in court proceedings.
 - d. The arbitrators do not have to explain the reason(s) for their award unless, in an eligible case, a joint request for an explained decision has been submitted by all parties to the panel at least 20 days prior to the first scheduled hearing date.
 - e. The panel of arbitrators may include a minority of arbitrators who were or are affiliated with the securities industry.
 - f. The rules of some arbitration forums may impose time limits for bringing a claim in arbitration. In some cases, a claim that is ineligible for arbitration may be brought in court.
 - g. The rules of the arbitration forum in which the claim is filed, and any amendments thereto, shall be incorporated into this agreement.

I agree that any and all controversies that may arise between or among me, you, and/ or your clearing firm, or any of their respective officers, directors, employees, agents, subsidiaries, or affiliates, including, but not limited to, those arising out of or relating to transactions contemplated hereby, the account established hereunder, any activity or claim related to the Account, or the construction, performance, or breach of this or any other agreement between or among us, whether entered into prior, on or subsequent to the date hereof, shall be determined by arbitration. Any arbitration under this agreement shall be conducted before the Financial Industry Regulatory Authority, Inc. ("FINRA"), and in accordance with its rules then in force. Judgment upon the award of arbitrators may be entered in any court, state or federal, having jurisdiction.

No person shall bring a putative or certified class action to arbitration, nor seek to enforce any pre-dispute arbitration agreement against any person who has initiated in court a putative class action; or who is member of a putative class who has not opted out of the class with respect to any claims encompassed by the putative class action until: (i) the class certification is denied; or (ii) the class is decertified; or (iii) the customer is excluded from the class by the court. Such forbearance to enforce an agreement to arbitrate shall not constitute a waiver of any rights under this agreement except to the extent stated herein.

10. Investment Objective Definitions: **Capital Preservation** - a conservative investment strategy characterized by a desire to avoid risk of loss; **Income** - strategy focused on current income rather than capital appreciation; **Growth** - investing in stocks with strong earnings and/or revenue growth or potential; **Speculation** - taking larger risks, usually by frequent trading, with hope of higher than-average gain. All strategies involve various types and levels of risk, the most common of which are market, credit, inflation, business and interest rate.

11. This agreement shall inure to the benefit of you and your clearing firm's successors and assigns, shall be binding on the undersigned, his heirs, executors, administrators and assigns and shall be governed by the laws of the State of New York, without reference to its choice of law doctrine. I may not assign my rights or delegate my obligations under this agreement, in whole or in part, without your prior written consent. I understand that if any term of this agreement is found to be invalid or unenforceable, all other provisions will remain in force. This agreement may be amended upon written notice from you. I agree that your failure to insist on strict compliance with this agreement is not considered a waiver of your rights under this agreement. At your discretion, you may terminate this agreement at any time on notice to me. I understand, however, that I will continue to be responsible for any obligation incurred by me prior to termination.

(UCAA)

CUSTOMER ACCOUNT AGREEMENT - Cash Account (Continued)

12. I understand you have the right to request a deposit or delivery of securities before executing a securities transaction. You have the right to refuse to execute securities transactions for me at any time and for any reason. I understand and agree that securities I purchase will be paid in full by the settlement date. I understand that you will have a general lien against my assets held by you for the discharge of my obligations to you. For any securities transactions not settled by the settlement date, you shall have the right, with or without demand or notice to me, to sell securities purchased by public or private sale or purchase those securities with or without advertisement. I grant you the right of set-off. I agree to satisfy, upon demand, any indebtedness to you, including any interest, commission charges, and fees. I further agree to pay any loss, cost, and expense you may incur, including reasonable attorney's fees, (i) to collect any amount I owe you for failure to settle any securities transactions properly and for any other reason and (ii) to reimburse you if you become party to any action arising out of my securities transactions. I understand that, because of circumstances beyond a broker-dealer's control, its customers' voting rights may be impaired. For example, if the stock of a company that another customer has purchased has not yet been received from the seller(s), then other customers' abilities to vote that company's stock could be impaired until those shares are received. In addition, if the stock of a company that I have purchased has not yet been received from the seller(s), then payments received by me from you, in lieu of the dividends on that stock not yet received, may receive tax treatment less favorable than that accorded to dividends.

13. I understand that you have entered into a fully disclosed clearing agreement with Penson Financial Services, Inc. ("Clearing Firm") pursuant to which Clearing Firm may perform certain transaction processing, clearing, custodial, and financing functions for you with respect to the Account. I understand that Clearing Firm does not control, audit, or otherwise supervise your activities, does not verify information I provide to you regarding the Account or transactions processed for the Account, and does not undertake responsibility for reviewing the appropriateness of transactions entered by you on my behalf. I agree that you are not an agent of Clearing Firm, that Clearing Firm is not your agent, and that I will in no way hold Clearing Firm, or its officers, directors, employees and agents liable for any trading losses that I may incur. I agree that Clearing Firm is a beneficiary of all of the terms and conditions of this agreement, including but not limited to, my representations, warranties, acknowledgments, covenants, understandings, agreements, authorizations, indemnifications, waivers, and releases to the same extent as if they were made directly by me to Clearing Firm. And I agree that Clearing Firm, in its own name and for its own benefit, shall be entitled to exercise and enforce directly against me such provisions and all other rights granted to you.

14. I understand and acknowledge that:
- a. Penny stocks (any equity security in which the bid and ask price of the security is less than \$5 a share) are generally considered high-risk investments and should be purchased purely for speculation.
 - b. The purchase of penny stocks may involve significant risks, including the loss of my entire investment.
 - c. Penny stocks may trade infrequently.
 - d. A market and/or a price may be unavailable when I wish to sell penny stocks and I could lose my entire investment.
 - e. Even minimum commission costs for this transaction may result in a significant adverse effect to the return on my investment.
 - f. I attest that any order I place that was not solicited directly or indirectly by you and any security selection is solely my decision.
